Dear Parent or Guardian

Outcome of the Consultation Report – Proposal to Realign the Catchment Areas of Clovenstone Primary School, Sighthill Primary School and Wester Hailes Education Centre to Accommodate the Proposed Edinburgh Park and Curriemuirend Development Sites

Thank you to everyone who participated in the recent statutory consultation on the above proposal.

All of the issues that were raised during the consultation period have been considered and I am writing to let you know that the Outcome of the Consultation report is being published today. This report will be considered at a Council meeting on Thursday, 12 March 2020.

The report recommends that Council approves the proposals outlined in the statutory consultation paper.

If the recommendations in the report are approved at the Council meeting on Thursday, 12 March 2020, the proposed catchment changes would be implemented three weeks later, on 2 April 2020. Currently there are no homes in the areas affected by these proposals and so there is no impact on existing pupils or their siblings.

The full Outcome of the Consultation report is available to download and read on the Council's consultation hub website at https://consultationhub.edinburgh.gov.uk/cf/edinburghpark/, where you can also find the full statutory consultation paper.

Reference copies of the report will also be available in the affected schools, at Central Library, Wester Hailes Library and the Council office in Waverley Court.

It is important to recognise at this stage that no final decision has been made and that this will be made by Councillors at the Council meeting on 12 March 2020. I will ensure that a note of the final decision is published on the website following the meeting.

Yours sincerely
