What is being proposed?

- The Edinburgh Park area of Currie Primary School and Currie High School's catchment area would be realigned with Sighthill Primary School and Wester Hailes Education Centre;
- The Bankhead Industrial Estate area of Broomhouse Primary School and Forrester High School's catchment area would be realigned with Sighthill Primary School and Wester Hailes Education Centre;
- A minor section of Gylemuir Primary School and Forrester High School's catchment area would be realigned with Sighthill Primary School and Wester Hailes Education Centre;
- The Curriemuirend Park area of Juniper Green Primary School and Currie High School's catchment area would be realigned with Clovenstone Primary School and Wester Hailes Education Centre;

Maps showing the existing and proposed catchment areas have been included within this summary paper.

Who will the changes affect?

The proposed changes do not affect any existing pupils or families. The areas being changed currently contain no residential properties.

Why are these proposals being considered?

Edinburgh Park and Curriemuirend Park are both identified in the Local Development Plan as potential housing sites. At the moment neither of these sites has approval for development. By undertaking these changes the Council is making sure that any future developments would be better aligned with available school capacity.

Currie Primary School and Currie High School are also difficult to get too from Edinburgh Park. These proposals would make the journey to school easier for any pupils future developments in this area might generate.

When would the changes come into effect?

As no existing residential addresses are affected by these proposals, should it be approved by the Council, the catchment changes would be implemented 3 weeks after the decision to approve them is made.

Why are we consulting?

While no existing residents, pupils or families are affected by these proposals, the Council has a legal obligation to carry out a statutory consultation under the Schools (Consultation) (Scotland) Act 2010 as amended by the Children and Young people (Scotland) Act 2014.

How will I know if my views have been considered?

All comments made during the statutory consultation period will be recorded and represented in a final 'Outcomes of the Consultation Report' that we expect to be considered by Council in March 2020. The report will be published three weeks in advance of the Council meeting and parents of pupils attending affected schools and anyone who has responded to the consultation will be notified of its publication.
