Dear Parent or Guardian

**Outcome of the Consultation Report – Proposal to relocate Newcraighall Primary School to a new building in the New Brunstane Development**

Thank you to everyone who participated in the recent statutory consultation on the above proposal.

All of the issues that were raised during the consultation period have been considered and I am writing to let you know that the Outcome of the Consultation report is being published today. This report will be considered at a Council meeting on Thursday, 12 March 2020.

The report recommends that Council approves the proposals outlined in the statutory consultation paper.

If the recommendations in the report are approved at the Council meeting on Thursday, 12 March 2020, development of the proposals will begin with further opportunities for people to have their say on the design of the new school and the services it should provide as the project progresses.

The full Outcome of the Consultation report is available to download and read on the Council's consultation hub website at

<https://consultationhub.edinburgh.gov.uk/cf/newcraighallschool/> where you can also find the full statutory consultation paper.

Reference copies of the report are available at Newcraighall Primary School, at Central Library, Craigmillar Library and the Council office in Waverley Court.

It is important to recognise at this stage that no final decision has been made and that this will be made by Councillors at the Council meeting on 12 March 2020. I will ensure that a note of the final decision is published on the website following the meeting.

**Robbie Crockatt, Learning Estate Planning Manager, Communities and Families**
